Road construction announcement

Green Valley Road, Mangels Boulevard, Travis Boulevard

Fairfield, California (Tuesday, October 9, 2012)— This week, a contractor working on behalf of the City will begin construction repaving Green Valley Road, Mangels Boulevard, and Travis Boulevard.

Argonaut Constructors will repave the following roadway segments: Green Valley Road from Westlake Drive to Business Center Drive; Mangels Boulevard from Vintage Valley Drive to Westamerica Drive; and Travis Boulevard from Oliver Road to Holiday Lane.

The current schedule indicates work will begin on Mangels Boulevard and Green Valley Road, with work on Travis Boulevard beginning mid-October. All roadways will remain open to traffic during construction, except for some limited short-term closures for the movement of equipment. Construction on all three roadway segments is expected to be completed by mid-December.

For more information, contact Peter Wright with the City of Fairfield at 707-428-7784.
